

entrepreneurship networks and modern pdf

Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".

In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network. The "Emerging Scholars" group began informally, but its leadership now ...

The Business History Conference

In December 1999, a group was organized called Social Enterprise Network. Its members, based in Metro Manila, include entrepreneurs, executives, and academics who believe in social entrepreneurship (setting up businesses by creating opportunities for the poor).
