Correlations don't imply causality. Completely ignore the question of whether Facebook works (assume we are talking about Ren Ren or Google+). Focus on the fact that this was the launch of a powerful new new product via a continent-wide rebranding campaign using massive online and offline media buys.

### **Facebook Advertising / Marketing: Best Metrics, ROI**

Facebook represents a huge potential market for your social media efforts, but it is becoming increasingly difficult to stand out from the crowd. The following statistics highlight some relevant Facebook facts and can ultimately help you to navigate it better, increasing your return on investment (ROI) and leading to greater marketing success.

### **Top 20 Facebook Statistics - Updated January 2019**

Social media marketing is the use of social media platforms and websites to promote a product or service. Although the terms e-marketing and digital marketing are still dominant in academia, social media marketing is becoming more popular for both practitioners and researchers. Most social media platforms have built-in data analytics tools, which enable companies to track the progress, success ...
