I have just modified 10 external links on Freedom of speech by country. Please take a moment to review my edit . If you have any questions, or need the bot to ignore the links, or the page altogether, please visit this simple FaQ for additional information.

Talk:Freedom of speech by country - Wikipedia

Freedom of speech and expression are usually correlated with freedom of the press too. The right to free

speech is considered a basic and fundamental human right by most free countries of the world. Countries without freedom of press or countries without freedom of choice make their citizens disconnected from the world.

Which Countries Do Not Have Freedom of Speech?

Freedom in the World 2015 found an overall drop in freedom for the ninth consecutive year. Nearly twice as many countries suffered declines as registered gains—61 to 33—and the number of countries with improvements hit its lowest point since the nine-year erosion began.
