General Methods of Teaching (EDU 301) 4. Teaching as a social, political and ethical activity: • As social activity: Man is a social animal because it lives with other people, it socializes with other people. It is necessary for its existence and emotional strength to stay with other human beings.

### **General Methods of Teaching (EDU 301) – Concept of Teaching**

General Methods. aim to describe the Institute's procedures in a general manner. What specific individual steps the Institute undertakes in the assessment of specific medical interventions depend, among other things, on the research question posed and the available scientific evidence.

### **General Methods 4 - Iqwig**

General Methods framework. How the assessment process is designed in individual cases is presented in detail for each specific project. The Institute's methods are usually reviewed annually with regard to any necessary revisions, unless errors in the document or relevant developments necessitate prior updating.
